Benefits of Our Enhanced Site

Greater consistency across product listings

Our teams have been working for months to add data and refinements to drive consistency within our product listings across all categories so that you can more easily find the items you need.

The screenshot displays the ADI website's 'Bullet Cameras' product page. The header includes the ADI logo, a search bar, and navigation links like 'BRANDS', 'NEW PRODUCTS', 'DEALS', 'SERVICES', and 'MONTHLY FLYER'. A banner at the top right states 'FREE Delivery on orders over £100*'. The main heading is 'Bullet Cameras', with a breadcrumb trail: 'Home / Products / Video Surveillance / IP Cameras / Bullet Cameras'. Below the heading, five camera models are featured: Hanwha, AXIS, Bosch, Honeywell, and In Stock. A 'Filter Results' sidebar on the left shows filters for 'Availability' (In Stock: 9, Available On Request: 13) and 'Brand Name' (AXIS: 6, Bosch: 2, Hanwha: 10, Honeywell: 4, Pelco: 3). A box highlights the text 'Showing 1 - 12 of 27'. The main content area shows a grid of product listings, each with a camera image, description, price, and an 'Add to Cart' button. The first four listings are: 1. WDR Fixed Bullet Camera with Optimized IR (P1455-LE) | 01997-001, £530.00, Delivery Free, Call For Availability. 2. Series 2MP IR Bullet Camera, 3.2" 10mm Varifocal Lens (QNO-6082R) | QNO-6082R, £194.50, Delivery Free, Stock Availability. 3. Camera Forensic WDR and Optimized IR (P1447-LE) | 01054-001, £663.00, Delivery Free, Call For Availability. 4. WDR IP Camera, 32x Optical Zoom (Q1785-LE) | 01161-001, £1,061.00, Delivery Free, Call For Availability.
