Benefits of Our Enhanced Site

Greater consistency across product listings

Our teams have been working for months to add data and refinements to drive consistency within our product listings across all categories so that you can more easily find the items you need.

The screenshot displays the ADI website's product listing for Bullet Cameras. The top navigation bar includes the ADI logo, a search bar, and links for BRANCH LOCATOR, CREATE A QUOTE, CONTACT US, and HELP. Below the navigation bar, there are menu items for BRANDS, NEW PRODUCTS, DEALS, SERVICES, and MONTHLY FLYER. A banner indicates 'FREE Delivery on orders over £100*'. The breadcrumb trail shows 'Home / Products / Video Surveillance / IP Cameras / Bullet Cameras'. The main heading is 'Bullet Cameras', with an 'Edit Visual Navigation' link. Below the heading, five camera models are featured: Hanwha, AXIS, Bosch, Honeywell, and In Stock. A filter sidebar on the left is titled 'Filter Results' and includes sections for 'Availability' (In Stock: 9, Available On Request: 13) and 'Brand Name' (AXIS: 6, Bosch: 2, Hanwha: 10, Honeywell: 4, Pelco: 3). A callout box highlights 'Showing 1 - 12 of 27'. The main content area shows a grid of product listings with details such as 'WDR Fixed Bullet Camera with Optimized IR', 'Series ZMP IR Bullet Camera, 3.2-10mm Varifocal Lens', 'Camera Fixed WDR with Optimized IR', and 'WDR IP Camera, 32x Optical Zoom'. Each listing includes a price, delivery status (Free), and an 'Add to Cart' button. The bottom of the page shows additional filter options for 'Image Sensor Type' and 'Lens Type'.
